

Kindergarten My Home Learning Packets

Parents/Guardians,

In the event of a full day school closure due to weather, road conditions, emergencies, etc., in this bag contains a review packet for your student to complete for the day. This bag will remain at home. These packets will NOT need to be completed on 2 hour delays.

Your student will complete ONLY ONE packet daily. The completed packet will need to be returned to school the next day.

Please let me know if you have any question. Thank you!
