

FACE PROGRAM

(FAMILY AND CHILD EDUCATION)

NOW ENROLLING

- **Home-Based Services:** A Parent Educator will come out to your house once a week or bi-weekly to work with you and your child. They equip parents with knowledge and resources to prepare their children, *from prenatal through kindergarten*, for a stronger start in life and greater success in school.
- **Center-Based Services:** Includes in person Preschool as well as Adult Education.
 - **Preschool:** Prepares children ages *3 to 4 years of age*, for kindergarten. Our curriculum approach is developmentally appropriate, incorporates active learning, and includes evidence-based teaching strategies—particularly in the areas of language/literacy learning and mathematics.
 - **Adult Education:** Parents/Care givers are able to earn their G.E.D or higher education while their child is receiving their educational services, the parents are busy working toward their own learning goals in several areas: education, employment, and personal and family life.
